

2017 SONNY MERRYMAN MEMORIAL SCHOLARSHIP RECIPIENT

PAMELA NOEL MULVANEY
Hanover County

With a career goal of becoming a doctor specializing in obstetrics and gynecology, Pamela will be attending the University of Richmond this fall. She will be majoring in biology and minoring in psychology, both subject areas she feels will provide her with the basic fundamentals to begin her journey to maternal-fetal medicine and working with high risk pregnancies.

Active in Lee Davis High School's co-curricular activities and athletics, Pamela was a member of the National Honor Society, served as president of the Senior Class Council, was secretary of the BETA club, VP of community service for DECA and captain in SODA. She was a member of the LDHS swim team and tennis team.

Receiving numerous honors and awards during her years in high school, Pamela highlights two special honors. She was the recipient of the Emperor Science Award which afforded her the opportunity to collaborate with a professor at Duke University School of Medicine on cancer research. She also was selected by her school to attend the Hugh O'Brian Youth Leadership seminar which focuses on leadership, service and the empowerment of youth. Through HOBY she completed 156 hours of community service and earned the Bronze Level Service Award.
