

2018 VAPT Clyde W. Morris Memorial Scholarship Recipient

MARCIA ELIZABETH SWANN
Northumberland County

Marcia stated in her scholarship application that "it would bring my PAPA great pride if I earned a scholarship that was made available to me because he is a school bus driver." She shares "He adores driving the bus (in Northumberland County) and is always filled with bus stories to share with our family."

Considering herself a good investment, Ms. Swann is a hard worker with high standards. A straight "A" student at Northumberland High School, she was a member of the Principal's Honor Roll, a member of the National Beta Club, and a member of the Student Council Association where she served as President her senior year. She was also a member of the Future Business Leaders of America and the Fellowship of Christian Athletes.

Wanting to follow in the footsteps of her PAPA (grandfather), Marcia's goal since middle school is to become a Certified Public Accountant.

She will be attending Liberty University this fall.
